

**Balloon Name:**        **Kaleidoscope**

Pilot:                    Mark Angelo

Address:                Lake Milton, OH

Mark lives Lake Milton, OH where he enjoys many flights over the years of being a pilot. Flying over Lake Chautauqua in the 2002 rally with my instructor is what really made me want to become a pilot. Ballooning is also how, on one calm July evening, he landed in a backyard where he met his wife!
